Experience

Payette | *Associate (May 2019-current)*

Currently serving as both Project Manager and Project Architect for 4 fit-out projects at EXP while continuing project close-out for base building new construction. EXP is a 350,000SF multi-disciplinary science building at Northeastern University. Joining the team in late Schematic Design and staying on through construction, my team role has grown and evolved and now includes:

- Preparing and leading presentations to clients and a diverse set of user-groups
- Leading consultant coordination for fast-paced fit-out projects
- Directing a team of 3-4 junior designers in tasks ranging from design studies to assembling and issuing Construction Documents
- Communicating regularly with the CM and Owner teams throughout construction to ensure design intent is met
- Contributing to overall C.A. efforts by managing Submittals and RFIs as well as issuing large-scale project Bulletins and assisting the Owner with permitting

Kennedy & Violich Architecture | *Architectural Designer (August 2017-April 2019)*

Worked for institutional clients including Harvard and MIT; Responsibilities included design presentations to clients and user groups, design studies for projects in all phases of construction, and developing marketing materials to respond to RFPs and RFQs

MIT Exhibitions and Publications | *Research Assistant (January-June 2016)*

Worked with the Publications and Exhibitions Coordinator to research departmental and disciplinary design agendas; research led to *Architecture and Action* (MIT Press, 2019)

Kengo Kuma & Associates Europe | *Intern (June-December 2015)*

Worked on two competition teams from conception to delivery

nARCHITECTS | *Intern (January 2015)*

Projects included Waterfront Seattle Urban Kaleidoscopes and Cleveland Cafe Pavilion

Education

Massachusetts Institute of Technology | *Cambridge, MA*

Master of Architecture in the School of Architecture + Planning

Columbia Graduate School of Architecture, Planning & Preservation | *New York, NY*

Introduction to Architecture summer studio

Middlebury College | *Middlebury, VT*
